

CAREER DAY

St. Ephrem School is requesting speakers for our “Career Day” during Catholic Schools’ Week. If you have an interesting career/profession and can volunteer to speak to our students, please fill out the form below. It would be especially interesting for students to hear how people use technology in their careers. Our target dates are 2/3, 2/4, and 2/5, 2010.

The purpose of this Career Day is to:

- Help prepare students for work in a global marketplace.
- Develop student awareness of career opportunities
- Enhance student individual skills, abilities, and talents
- Partner our school with the local community
- Integrate the curriculum with real life situations

Please RSVP by December 23rd. Return this form to the school office or email the school at www.steschoolcom@gmail.com with the following information.
