

St. Ephrem School Rocket Club Grades 5-8

Parental Permission Slip

The St. Ephrem Rocket Club is for students in grades five through eight. Students will build their own bottle rockets, model rockets and participate in various labs and activities relating to rockets and space science provided by NASA. This year we will build a seven-foot tall model rocket called the "Titan Blast". It launches over 100 feet into the air! The club will meet on Wednesday from 2:45pm to 3:45pm about two times a month. There is a \$20 fee per student for materials and supplies. Please sign and return the slip and fee (checks payable to: Mrs. Cherie Scholl) to Room 6. Please keep in mind, space may be limited depending on the amount of response to this club.

Thank You,
Mrs. Scholl

Rocket Club will meet on the following dates:

November 18th

December 2nd

December 16th

January 13th

January 27th

February 10th

February 24th

***** I will let the students know our schedule for March and April as we approach spring. We will launch our bottle rockets and the Titan Blast in April and will have a pizza party at our final meeting!**

Return this form to Room 6 by Friday November 6th, 2009

I, _____ give my child, _____

in Room _____ permission to participate in the St. Ephrem School Rocket Club.
