

Subject: Parent Workshops

The Bucks County Schools Intermediate Unit # 22 is pleased to work in partnership with the Associates for Counseling and Educational Services (ACES) each year in order to offer learning experiences for parents. These opportunities offer many topics and are held at the Bucks County Intermediate from 6:00PM-9:00PM on various dates throughout the fall. Please click on the link below in order to see a full listing of the topics offered at this time. Parents should call ACES directly in order to register at 215-345-7868. Educators are also welcome to attend. If an educator is seeking Act 48 hours, they will need to call ACES to register AND register online with the Intermediate Unit in order for Act 48 to be processed appropriately.
