

Newsletter Addendum

Parents/Guardians,

We all survived the first week and hopefully things will continue to run smoothly. Thank you for your cooperation and support.

Phone Numbers

I'd like to remind you to inform the office if you have a change in any of your phone numbers: cell, home, work, etc. We have already had one child with a disconnected phone and were unable to reach his parents.

E-mail Addresses

Also, we have had trouble reaching some families by e-mail. If you have not received an e-mail from school by now, please send in an e-mail address to the school. Please print legibly.

Emergency Cards

We designed a new school emergency card so that you only have to fill out one per family (not including the emergency card for the nurse). Please make sure that you send in the completed card ASAP. Schaffer School already had a lock down last week because of a situation in a nearby home. It is imperative for us to have current contact information available at all times.

Birthdays

Today, all students will receive a ticket for a dress down day as their birthday present from me. I am giving them out at the same time so that they can use them on any day they wish. We will continue to announce birthdays on the PA throughout the year.

Congratulations

To Kyle Leon who will represent the US as part of Team USA at the WKL World Championships in Huelva, Spain this fall.

Sr. Barbara
