

CARES PROGRAM

January 16, 2009

Dear Parent/Guardian:

St. Ephrem School has an “After & Before” School convenience for working parents called the CARES Program. The program is now beginning its 11th year and has seen a significant growth since its inception. We know the cost of tuition is hard for some parents so we have tried to keep the cost of the program to an affordable price.

Registration for the CARES Program will take place the same week you will be registering your child for St. Ephrem School. I should be there for any questions you may have. However, you can save time, by downloading a copy of either the “Before or After” Registration Forms by accessing www.saintephremschool.com and clicking on General Information Link the click CARES link on left, then click links for “Registration Forms” – Before/After. Please bring the completed form and registration fee when coming that day. Additional information and costs for the program is also available online.

If you have any questions prior to registration, you can reach me by emailing me at mmcdcares@aol.com.

Sincerely,

Marilyn McDevitt
Director of CARES
