Re: Library Volunteer Aide Program

September, 2009

Dear Parents,

As the school year begins, we ask your help with our volunteer aide program in the library. We depend upon your generosity and are well aware that your assistance is vital to a school such as Saint Ephrem. Prior experience in library work is not required, but we ask that you make a real commitment to come in on your chosen day and time. Also, due to the nature of library work, we can not accommodate small children in the library. All school volunteers must have criminal and child abuse clearance and must attend the Archdiocesan Protecting God's Children Class. Forms and information on the class will be provided to you.

Please indicate the day and the time when you are available to volunteer and either e-mail your preference to mrstrider8@aol.com or print out the form and send it into the library with your child at your earliest convenience. You will be notified once the library volunteer schedule is completed.
